RESPONSE TO RESTRICTION REQUIREMENT

In response to the Office Action mailed July 31, 2004,
containing a restriction requirement, Applicant
provisionally elects the claims relating to the species of
claims 3 and 13, labeled by the Examiner as a single
species for prosecution on the merits.

The claims readable on these species claims are claims
9-10, and 19-20. The figures in which this species is
depicted are Figs. 22-32.

In a telephone call to the Examiner on December 1, 2004,
the possibility of a meeting for demonstration of a working
model was raised, and the Examiner indicated that special
permission would be needed before a first Office Action.

Applicant respectfully requests continuation of the
examination and provision of the results at an early date.

Respectfully submitted
